

# Smedley Fund Subsidy Application

## Emergency Relief

In recent years, many individuals have experienced economic challenges as a result of natural and man-made disasters. Toastmasters International is prepared to provide relief to those suffering losses resulting from such disasters by covering the costs of their Toastmasters membership – both in terms of membership dues, and the cost of replacement for damaged or destroyed materials. If your club or the clubs within the District have been profoundly affected by a natural or man-made disaster, you may submit an application for assistance by completing and submitting this form.

1. Please describe the disaster and how your club or the clubs within the District were affected.

2. Subsidy type

Waived dues or fees (One renewal period - Six months)

*(Please provide a copy of the Membership Roster report in District Central. Only include members in need of subsidy who are still active and intend to continue their membership(s))*

Replacement of educational materials

*(Please indicate the material type (e.g. manuals, kits, workbooks, etc.), item number, and quantity)*

Other replacement materials:

*(Please indicate the material type (e.g. marketing materials, club banners, etc.), item number, and quantity)*

Other:

*(Please specify)*

4. Based on your responses above, please provide a breakdown of the costs associated with your request, including tallied costs for each line item and a total projected cost at the bottom. Upon submission of this application, please provide a separate list of the members in need of subsidy who are still active and intend to continue their membership(s).

5. Your full name and member ID

6. Leadership role *(Mark one, as applicable)*

- Club President
- Current or Past District Leader
- Current or Past Region Advisor
- Past International Director
- Past International President
- Board of Directors

7. Phone number

8. Email address

Please submit this document to [smedleyfund@toastmasters.org](mailto:smedleyfund@toastmasters.org). If not filled out in its entirety, this application will not be considered. All subsidy requests will undergo an initial evaluation by World Headquarters before being presented to the Board of Directors for review. Submission of a subsidy application does not guarantee that your proposal will receive funding. Application and decision criteria are subject to change.
