

Ralph C. Smedley Memorial Fund 2023 Annual Report

SUPPORT EDUCATION AND GROWTH

The Ralph C. Smedley Memorial Fund® directly supports Dr. Smedley's vision of providing accessible opportunities for communication and leadership education to as many people as possible.

Every contribution to the Smedley Fund could have an impact in one of two major ways:

YOUTH OUTREACH

Supporting youth education is an investment in tomorrow's innovators and leaders. The Smedley Fund helps support the Youth Leadership Program by providing or subsidizing materials. In the Youth Leadership Program, teens between the ages of 14 and 18 develop their communication and leadership skills through practical experience. Each workshop is sponsored by a Toastmasters club or other organization (such as a school) and consists of eight sessions.

EMERGENCY RELIEF

When natural or man-made disaster strikes, individuals facing extreme financial hardships do not need the additional burden of abandoning their personal development journey to meet more immediate needs.

The Smedley Fund helps to subsidize the cost of dues and/or educational materials so people in impacted areas can continue to grow and thrive while navigating emergency situations.

Donate by visiting
toastmasters.org/donate

Thank you to the following individuals and groups for contributing to the Ralph C. Smedley Memorial Fund® between January 1, 2019, and January 1, 2023. Your gift makes a big impact and helps make Dr. Smedley's vision a reality.
