Relevant work experience and how it relates to Toastmasters and your role as a Region Advisor:

I work for the state health agency with the state of Texas and in my role one of my primary responsibilities is to create training modules and provide training to local health, regional health department staff across Texas and in the central offices on security and confidentiality of protected health information. I have prepared and conducted web based training and instructor based training for groups as large as 1500 and as small as 10. I have served in a number of management roles both with in the agency and previous employment and have provided conflict/management as well as leadership training.

What experience and key strengths do you bring to the district leaders?

Certified trainer and six years of training experience, management training and experience, conflict/management experience, consulting experience, leadership development experience, and experience leading successful teams to success both within Toastmasters and on the job. The ability to translate the skills we learn as Toastmasters and apply them in our roles as community leaders and within our occupations.

Why are you interested in serving as region advisor?

I enjoy helping others and watching people transform from just maintaining to pursuing and obtaining excellence. I have also taken away on a personal level some growth experiences as well which also makes me a better training and leader. I believe I have the skills to help shape and develop others to become leaders or even better leaders.
