Relevant work experience and how it relates to Toastmasters and your role as a Region Advisor:

In my previous role as Urban Partnership Coordinator at the Canadian Breast Cancer Foundation-Prairies/NWT Region, I worked with many different volunteer committees. In this role, I helped bring an event called Batting Against Breast Cancer to Winnipeg, Manitoba. It exceeded all goals and allowed me to hone my skills in empowering others for growth and success.

What experience and key strengths do you bring to the district leaders?

I have another job with the Training Source as a Human Resources Consultant where I help deliver and train professionals in the areas of employee engagement, trust and loyalty in the workplace, customer focused service, effective team communication to name a few. I believe this extensive background in training and motivating others coupled with my 19 years of Toastmasters experience will serve as a key strength.

Why are you interested in serving as region advisor?

One of the reasons I remain in Toastmasters is my 'addiction' to witnessing others grow, learn and succeed. I can think of no better way to 'feed this addiction' than to serve as Region IV Advisor. Watching the District Leaders in Region IV work and support one another on the road to success will be a true honour.
