Why are you interested in serving as region advisor?

Serving as a Region Advisor is part of my commitment and passion to the Toastmasters organization. It is a continuation of my Toastmasters journey. After finding my voice and improving my communication and leadership skills, it's time to become a servant leader and give back to my fellow toastmasters what Toastmasters had given me. Toastmasters is a two way street, the more you GIVE, the more you GET. As I continue to serve the Toastmasters organization, to which I owe so much to my personal development, the more I will grow and learn.
