

How to use the mobile app

The Toastmasters International mobile app is the first official app designed to help you perform your role at club meetings with convenience and ease. Available for your smartphone or tablet, it gives you instant access to your club roster and features a built-in Ah-Counter, grammarian and timer, as well as a History section to track your progress.

QUICK START GUIDE:

1

Select your role (Ah-Counter, timer or grammarian).

2

Select a member from the club roster.

3

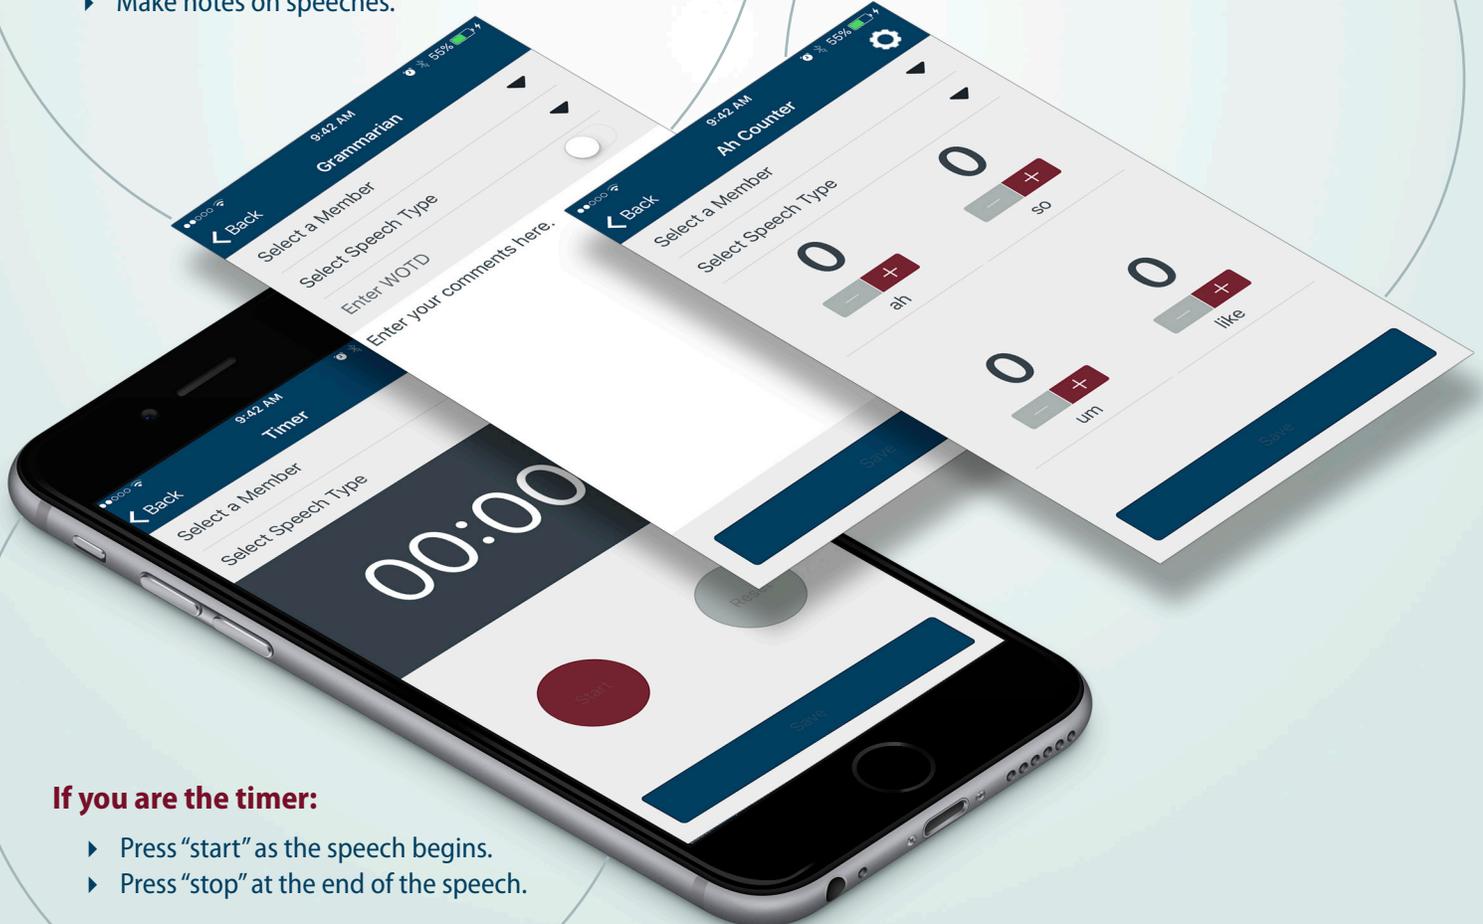

Select the speech type.

If you are the grammarian:

- ▶ Enter the Word of the Day (WOTD).
- ▶ Tap the toggle if the WOTD was used in the speech.
- ▶ Make notes on speeches.

If you are the Ah-Counter:

- ▶ Press the “plus” button on your mobile device.
- ▶ Tap once for each “ah” or filler word.

If you are the timer:

- ▶ Press “start” as the speech begins.
- ▶ Press “stop” at the end of the speech.

FAQs

1 How do I log in to the mobile app?

- ▶ To log in to the mobile app, you must be a current member in good standing. Your login is the same credentials you use to access the Toastmasters website. Please wait 24 hours after your membership has been paid to log in to the app.

2 I am a member of more than one club, how do I switch to another club?

- ▶ If you are currently a paid member of more than one club, you will have the ability to switch to another through the “Change Clubs” menu. Please wait 24 hours after your membership has been paid to log in to the app.

3 Why is data from my speeches recorded? Who can view this data?

- ▶ Speech data is only visible to the speaker and those that have used the app in a meeting role. The club president and vice president education also have access to approve the data for accuracy. Please know that all aspects of the app were designed to enhance your experience and help you progress and improve.

4 Who developed the Toastmasters International mobile app?

- ▶ The app was developed internally by our mobile development team. One of the chief engineers for the mobile app also holds a CC as a Toastmasters member.

5 Will there be future releases?

- ▶ The first version of the app was designed to provide the convenience of tracking speech data to help our members improve their speech performance. We have much more planned for future releases and welcome your feedback.

6 Am I required to use the app?

- ▶ No, you are not required to use it. However, you should find that if you do, it will make your role in club meetings easier.

7 What if the app doesn't work?

- ▶ Follow the instructions for your specific device to remove and re-install the app from the appropriate app store. If you are still having issues, please submit an email to support@toastmasters.org and be sure to include your name, device, operating system (OS) and the steps taken to reproduce the issue.
