The 2012-2013 Toastmasters International Board of Directors met on August 21, 2013, at 1 p.m. EDT, with International President John Lau, DTM, presiding. The other officers and directors present were: George Yen, DTM; Mohammed Murad, DTM; Jim Kokocki, DTM; Michael Notaro, IPIP, DTM; Balraj Arunasalam, DTM; Mike Barsul, DTM; Joseph Gomez, DTM; Don Griffith, DTM; Patricia Hannan, DTM; Wendy Harding, DTM; Mike Helm, DTM; Kristina Kihlberg, DTM; Viki Kinsman, DTM; Andrew Little, DTM; Lori Lococo, DTM; David McCallister, DTM; James Sultan, DTM; and George Thomas, DTM. Executive Director Daniel Rex and Secretary/Treasurer Sally Newell Cohen were also present.

BOARD OF DIRECTORS

The meeting began with reports from International President Lau and Executive Director Rex on the status of the organization.

EXECUTIVE COMMITTEE

The 2012-2013 Executive Committee met on August 17-18, 2013, with International President John Lau, DTM, presiding. The other officers present were: International President-Elect George Yen, DTM; First Vice President Mohammed Murad, DTM; Second Vice President Jim Kokocki, DTM; and Immediate Past International President Michael Notaro, DTM. Executive Director Daniel Rex and Secretary/Treasurer Sally Newell Cohen were also present.

1. The Committee reviewed the organization's performance in relation to its 2012-2013 goals and strategic objectives as well as the districts' results in the new District Recognition Program. The Committee recognizes the achievements of the district leadership teams and encourages Toastmasters leaders at all levels to maintain their focus on club meeting quality, club and membership growth and meeting member needs.
2. The Committee received an update on the progress being made to reenergize the Accredited Speaker Program. Changes to strengthen the program while simplifying and clarifying the application process were approved by the Committee in August 2012. In addition, the Committee reviewed a Code of Ethics developed by and for the Accredited Speakers and applauds the group's efforts to promote integrity, respect, service and excellence through the program.
3. In August 2012, the Improve Club Quality and Consistency Committee, formed in support of the 2010 Strategic Plan Growth and Retention objective, recommended that a feasibility study be conducted to analyze the minimum club membership level. Policy 2.0: Club and Membership Eligibility requires a club to have a minimum of six members to remain in good standing. However, the survey of members' satisfaction in clubs greater than 30 members and less than 12 members, as well as an analysis of the Distinguished Club Program pointed to a minimum of eight members having the higher likelihood of success. The Executive Committee

recommends revising Policy 2.0 (attached) to raise the club membership minimum to eight effective April 1, 2014.

4. In February 2013, the Executive Committee clarified the process for determining which district received the original district number at the conclusion of a district reformation in Protocol 7.0: District Structure. In the past, district numbers were re-assigned after several years had passed. To improve clarity and reduce administrative confusion, the protocol was modified to direct that new districts will receive a number that is the next sequential district number available. No previously used numbers will be re-assigned.
5. The Committee reviewed the status of pending district reformations in Districts 60 and 86 in Ontario; Canada, District 70 in Australia; District 21 in British Columbia, Canada; District 59 in Continental Europe; District 71 in the United Kingdom and Ireland; and District 82, in Southern India and Sri Lanka. The Committee also approved a reformation request to clarify the shared boundary between Districts 48 and 84 in Florida. The committee also reviewed the status of the reformation of District 51, peninsular Malaysia, and recommends that District 80, Singapore and Thailand, which are separated by peninsular Malaysia, be included in the reformation process.
6. The Committee reviewed proposals from both the Korea and West Africa Territorial Councils to form provisional districts. The Committee is pleased to recommend that both territorial councils be granted provisional status effective July 1, 2013. The Korea Provisional District will be district number 93P and the West Africa Provisional District will be district number 94P.
7. The Region Advisor program, launched in 2010, is now in its fourth cycle. The Strategic Planning Committee, led by the Strategic Planning Chair Immediate Past International President Notaro, discussed the role of the Region Advisor and the progress of the program in meeting its original objectives. The Committee directed World Headquarters to continue to monitor the program's effectiveness and to provide additional information and recommendations to the Board at a future meeting.
8. The Committee approved certain district officers as signers on district accounts as submitted by each district on the District Signature Form for Withdrawal of District Funds. The district leaders are authorized to spend district funds through June 30, 2014.

Pursuant to Policy 11.3, items contained in the minutes of this meeting were classified as "unrestricted" upon distribution of the minutes by World Headquarters, not to include any matters marked "restricted".

International President Lau adjourned the meeting at 3:40 p.m. on August 18, 2013.

The Board voted to accept and approve the recommendations and actions in the report unanimously, thereby providing the two-thirds vote majority required for the Policy change in Item 3. Separately, the Board voted to approve the recommendations in items 7.

BOARD OF DIRECTORS

1. Due to the rapid growth of organization, increasing responsibilities of the Executive Director and the imperative to develop a more contemporary structure, the Board of Directors voted by the required two-thirds majority to amend Policy 11.8: Executive Director to identify the Executive Director as either Chief Executive Officer or Executive Director (attached).
2. To eliminate the possibility of unfair advantage as a result of official visits and to ensure fairness for all candidates, the Board voted by the required two-thirds majority to amend Policy 10.0: Region Advisors (attached) to prohibit any individual from standing for election at the Annual Business Meeting in the same year in which their term ends.
3. In February 2013, the Developing Markets Committee recommended that Toastmasters International reimburse Territorial Council leaders for Mid-year and August training. By the required two-thirds majority, the Board voted to amend Policy 8.3: District Leader Expenses and directed the appropriate officers to amend Protocol 7.0: District Structure (attached) to formalize this recommendation.
4. Policy dictates when proxy notices for the Annual Business Meeting are sent via email to club presidents and secretaries. Currently, the notices are sent in May. Some districts also send proxy notices in April or May because they are required to conduct their annual elections in April or May. As a result, the two proxies are often confused. To alleviate the confusion, the Board voted by the required two-thirds majority to amend Policy 9.1: International Campaigns and Elections, which directs World Headquarters to change the proxy mailing date to no later than July 10 (attached).
5. The Board received reports from three committees:
 - a. College and Universities Committee
A committee of Past International Presidents was established to research the success of college and university clubs (CUCs). To accomplish this, the Committee interviewed district leaders, analyzed the results of a survey of Toastmasters College Club members and identified patterns from the interviews and research to develop the following recommendations:
 - Customize a calendar that accommodates the CUC academic schedule.
 - Consider customizing dues and dues collection.
 - Consider developing a model to better support CUCs.
 - Customize marketing materials and channels for CUCs.

The Board voted to accept the report presented by the College and Universities Committee.

- b. Club and District Leader Competencies Committee
The Committee was formed to identify the competencies needed for club and district leader roles that serve as the foundation for training and learning opportunities. The Committee's goal was to develop a comprehensive grid of club and district leader competencies and the chart the interdependencies between them.

To accomplish this, the Committee reviewed the leadership grid created by a 2011 Board Committee, decided on definitions of competencies, split into subcommittees focused on characteristics and attributes; skills and knowledge. Each subcommittee then created a grid for all district and club leader roles. The Committee recommended the following:

- Incorporate a list of competencies in training and education programs
- Set brief and uncomplicated measures by which leader and prospective leader performance can be evaluated

The Committee extended its assignment to evaluate the district governor, Lt. governor education and training and Lt. governor marketing roles to set consistent expectations, measure success and strengthen succession. The committee recommended:

- Role-specific titles
- Greater role accountability
- Incorporate roles into education program to enhance relevance and real-world applicability

The Board voted to accept the report and adopt the recommendations presented by the Committee Club and Leader Competencies Committee.

c. Distinguished Club Program Committee

The Committee was tasked with evaluating:

- If the DCP represents and reinforces the objectives of the organization with respect to the member experience/consistent club quality.
- Programs or measures that could boost member satisfaction and retention at the club level, as well as analyze the member lifecycle to identify opportunities and extend/enhance the experience.
- Whether or not a formal mentoring program would increase member participation in the education program, and if it would increase overall member satisfaction.

From the analysis, the Committee recommended that any changes to the DCP will require greater analysis and evaluation to ensure that the revisions create positive change with minimal negative impact. It directed staff to continue with analysis and provide the Board with an update in February.

The Committee proposed two recommendations that will be implemented immediately:

- Clubs that charter after September 1 will eligible to earn Goal 9 through training by a district representative.
- The charter submission fulfills the requirement for on-time officers list and dues payment.

The Board voted to accept the report and adopt the recommendations presented by the Distinguished Club Program Committee.

STRATEGIC PLANNING

Led by Strategic Planning Committee Chair Michael Notaro, DTM, IPIP, the Strategic Planning Committee and Board of Directors discussed item 7 of the Executive Committee minutes, regarding the role of the Region Advisor and the progress of the program in meeting its original objectives. The Board discussed methods to better support the program and promote district leader success, and approved the Committee's recommendation to direct World Headquarters to continue to monitor the program's effectiveness and to provide additional information and recommendations to the Board at a future meeting.

CONCLUSION

International President Lau adjourned the meeting at 4:30 p.m., August 20, 2013.

Pursuant to Policy 11.3, items contained in the minutes of this meeting were classified as "unrestricted" upon distribution of the minutes by World Headquarters, not to include any matters marked "restricted." The results of the Board meeting described in the Board Briefing, written and orally presented in open session on February 11, 2012, were classified "unrestricted."
