

Smedley Fund Subsidy Application

Emergency Relief

In recent years, many individuals have experienced economic challenges as a result of natural and man-made disasters. Toastmasters International is prepared to provide relief to those suffering losses resulting from such disasters by covering the costs of their Toastmasters membership – both in terms of membership dues, and the cost of replacement for damaged or destroyed materials. If your club has been profoundly affected by a natural or man-made disaster, you may submit an application for assistance by completing and submitting this form.
